

**(i) Programme No.: 2.13 Programme Title : Orientation for master trainers in Urdu
at primary stage for Jammu & Kashmir
state.**

As a follow up to NCF-2005, syllabi for various school stages were designed. On the basis of this, new textbooks in Urdu for classes I to XII have been prepared. Teachers need to be familiarized with new ideas and trends in Urdu language teaching as reflected in the new textbooks with a view to improve the textbooks as well as for future orientation programme.

(ii) Specific Objectives :

- i. To familiarize teachers and master trainers with the guiding principals of NCF-2005 with special reference to language education.
- ii. To familiarize the teachers and master trainers with the new textbooks and orient them on the strategies to use the textbooks.
- iii. To deliberate on emerging trends in language education.
- iv. To receive feedback from teachers on the new textbooks.
- v. To cater to the needs of the teachers working in the field / state.

(iii) Methodology :

The orientation of teachers and master trainers will be carried out through multiple methoDELogies involving individual presentations followed by discussions, group work, demonstration lesson etc. Experts will be invited to conduct and participate in interactive sessions, discussions, group work and demonstration lessons.

(iv) Faculty involved:

Dr. Mohd. Moazzamuddin, Assistant Professor, Urdu, DEL
