

(i) Programme No.: 2.14 Programme Title : Orientation programme for master trainers teaching Urdu at Secondary and Higher Secondary Stage.

As a follow up to the National Curriculum Framework -2005, syllabi for various stages of schooling were designed and new textbooks have also been developed for various classes. In order to familiarize the teachers, an orientation programme is proposed on the new teaching learning material. New trends in language will be dealt with. Feedback will also be obtained for organizing such need based orientation programme.

(ii) Specific Objectives :

- i. To familiarize teachers and master trainers with the guiding principals of NCF-2005 with special reference to language education.
- ii. To orient teachers and master trainers on various aspects of teaching learning processes in Urdu language.
- iii. To familiarize teachers and master trainers with the new textbooks and to orient them on the strategies to use the textbooks.
- iv. To provide teachers and master trainers a platform to deliberate on the emerging trends in Urdu language teaching.
- v. To receive feedback from teachers and master trainers on new textbooks.
- vi. To cater to the needs of the teachers working in the field / state.

(iii) Methodology :

The orientation for master trainers will be carried out through multiple methodologies, involving individual presentations followed by discussion, group work, demonstration lessons, etc. Experts will be invited to interactive sessions and discussion, group work and demonstration lessons.

(iv) Faculty involved:

Prof. Mohd. Nauman Khan, Professor of Urdu,
Dr. Mohd. Faruq Ansari, Associate Professor (Urdu)
