

**(i) Programme No.: 2.04 Programme Title : Development of sourcebook on assessment in Urdu for Upper Primary Stage.**

Assessment and evaluation has been a concern of every one for long. NCF-2005 attempts to address the issues and problems on existing assessment processes and calls for a change in the way learners are being assessed. Assessment has to be understood as a means for learning and it should support learning. In the light of NCF-2005, a sourcebook on assessment needs to be developed for upper primary stage in Urdu. Teachers of Urdu require such materials for learner friendly assessment and various ways and means of assessing the learners.

**(ii) Specific Objectives :**

To develop a sourcebook on assessment in Urdu for upper primary stage.

**(iii) Methodology :**

The resource book will be developed in consultation with experts, teachers and others working in the field through workshops and working group meetings.

**(iv) Faculty involved:**
