

(i) **Programme No.:** 2.08 **Programme Title :** Development of Video programmes
on Hindi teaching at Secondary and Higher
Secondary Stage.

Hindi language teaching needs to be supported with other inputs like audio-video, CD Rom besides the textbooks, supplementary and additional reading materials. Through visuals (video) languages and literature can be taught. Video inputs will be of great value for teachers to facilitate teaching of Hindi language and literature. At this stage it is necessary for students to understand and appreciate the literary texts such as poetry and prose. Earlier so many documentaries have been prepared with the focus on the poets and authors only. This video programme will focus on the content or text which is not very accessible for classroom teaching. Video input will improve the quality of classroom transaction.
