

(i) Programme No.: 2.09 Programme Title : Development of Video programmes on literary forms of Urdu Literature for Higher Secondary Stage.

Language teaching needs to be supported by other inputs besides the text books and supplementary reading materials to enable teachers and learners to get opportunities for effective classroom transactions. The teaching of Urdu language and literature can be made more effective through video input. Many problems faced by students during classroom transactions may be solved through more standardised presentations. It will create an interest and enhance the understanding of students. Not only a lot of knowledge may be provided to students through video presentations but it will also be helpful in preparing them for the next stage of education. Therefore, a series of video programmes is intended to be developed for the improvement of school education and making classroom transactions more effective.

(ii) Specific Objectives :

- i. To identify the topics and content themes for video programmes on literary forms of Urdu literature for Higher Secondary Stage.
- ii. To develop video scripts on the basis of identified topics and content themes.
- iii. To develop video on literary forms based on the developed scripts.

(iii) Methodology :

Identification of topics and content themes will be done in three different workshops with the help of teachers, teacher educators and experts of Urdu language. Video scripts will be developed and finalised in these workshops (the number of scripts will be decided by the experts). The developed scripts will be handed over to CIET to develop video programmes. Urdu faculty of DEL will provide academic support for the same. CIET will organize workshops as per its need to develop the video programmes. The duration of each video will be of maximum fifteen minutes. Video development cost will be borne by CIET.
