CORRIGENDUM

The NCERT had published an e-tender ID **2021_NCERT_648593_1** on 16.Sep.2021 on CPPP for transportation of books/paper between Local Stations.

In the tender document it is mentioned that "*Banker certificate regarding the firm is financially sound*". It is further added that in the solvency certificate the bank should mention the value equivalent to the transporters' required turnover i.e. ₹ 30,00,000/- (Rupees Thirty Lakhs) at least.

However those bidders who would have already made the bid without mentioning the amount in the solvency certificate, in case of their selection as L1, they can be asked to furnish the revised solvency certificate accordingly.
